

Being a Part of Breaking Down the Barriers

What's New

April 12, 2019

Hello Everyone,

Thank you once again for all your participation and support of the 20th Annual Achilles St. Patrick's Day Race! I was a huge success!!!

Best of Luck to all those running this weekend famous Boston Marathon on Monday, April 15th! We have a strong team at this year event in Ary, Tom, Bonnie, Tim, Jason, John, Elizabeth, Emma, Monica, Todd, Tyrrell and Craig. If I have left anyone out, it was an accident!

The Toronto Marathon in May is fast approaching us and once again the organizers have granted Achilles members a promo code that will give you a 13% discount code of the current entry fees for all their races. However, they are only give us a 48 hour window to get everyone register at once. So if you interested, please email me ASAP and I will add you to our list and then we will decide when the best 48 hours will be to get yourself register for the race.

It the start of a new running season and I need to hear from all Achilles athletes what their goals are for 2019. Are you looking for guide runners to run with you during the week and on weekend? Please let me know what you need and we will begin the search to find you suitable guide runners who want to help you out. Thanks,

2019 Triathlon Season is upon us and we want to set-up a new Triathlon team in partnership with CNIB for this year. Please let me know if your interested in taking up the sport of Triathlon this Summer? We will provide you with the training locations and guides to get you started.

We are looking for Achilles Athletes and Guides who live in Windsor, Guelph, Ontario, Edmonton, Alberta, Saskatoon, Saskatchewan and Montreal, Quebec! We may have a new chapters forming in these communities and therefore, I am asking if you know of Achilles athletes or guides in these cities to get in contact with me. Thank you!

Jason Mitschele, Achilles athlete will be climbing Mount Kimanjaro in the Fall of 2019 and we could use your support by making a donation to his Climb at:
